

Print Splits — Chess

Finished Quilt Size: 59" x 67"

Border Stripe Cutting

Disregard instruction given in the pattern.

- For each strip, begin cutting 1/4" out from the brown outline at the bottom of the stripe of small playing pieces as shown.
- Cut over 5 1/2" from there to include the black/white stripe at the bottom of the chess piece stripe.
- Cut 2 strips 5 1/2" x LOF with cream background in the circle and small playing pieces stripes and 2 strips with black background in those stripes.
- Trim the 2 cream background strips to 63" for top/bottom borders.
- Trim the 2 black background strips to 71" for side borders.

Cut 2 of each strip

Completing the Quilt

Step 4: Strip sizes should be 5 1/2" x 71" and 5 1/2" x 63".
